RE: FOIA Request – Data Call-In Response Materials

Dear HQ FOIA Staff:

Pursuant to the Freedom of Information Act ("FOIA"), as amended, 5 U.S.C. Section 552, and the Environmental Protection Agency ("EPA" or Agency") rules issued thereunder, 40 C.F.R. Part 2, I am requesting all non-confidential materials submitted to EPA by the registrants listed below in response to generic data call-ins ("DCIs") issued by EPA in 2008 and 2010, as follows:

MGF Scientific, Inc. (EPA Company No. 88482)

DCI ID# GDCI-006304-27606 (Feb. 11, 2008)

DCI ID# RR-006308-28549 (June 23, 2010)

Repar Corporation (EPA Company No. 69361)

DCI ID# GDCI-006310-27845 (July 16, 2008)

DCI ID# RR-006310-28469 (June 22, 2010)

I believe that records responsive to my request are located within EPA's Biopesticides and Pollution Prevention Division. If for any reason you determine that portions of the requested information are exempt from disclosure under FOIA, please delete the allegedly exempt material, inform me of the basis for the claimed exemption, and furnish me with copies of those portions of the document that you determine not to be exempt. My consent to such deletion at this time is designed to facilitate your prompt response and in no way waives my right to appeal any determination that you may make regarding the applicability of any FOIA exemptions to the requested documents and information. If you determine that any complete documents are exempt from disclosure, please identify them and explain the basis for that conclusion.

I request that you provide me with accurate copies of the information requested. I agree to pay reasonable search and reproduction costs. If these costs exceed \$250.00, however, I request that you notify me before reproducing the documents.

Pursuant to FOIA, I understand that EPA will respond with an initial determination regarding this request within 20 working days of your receipt of this letter. Please use the following address for any correspondence or responses:
